Total Post-Discount Request: \$15,840.00

I. INTRODUCTION AND SUMMARY

The Chandler Independent School District 1 ("Chandler District") serves low income pre-kindergarten through Grade 12 children in Lincoln County, Oklahoma. For the past several years Chandler District has been a successful participant of the E-Rate program.

The Chandler District submitted and certified their Funding Year 2019 FCC Form 471 #**191038928** in the Universal Service Administrative Company's ("USAC") website on April 2, 2019, just 4 business days after the FCC Form 471 filing deadline of March 27, 2019.

I have served as the Information Technology Director for nine plus at Chandler District. This year, in addition to my already busy work schedule, I am the main staff member performing E-Rate duties. This has been an unusually busy school year. We have a new Superintendent leading our District and numerous other key personnel changes. Also, we have begun the arduous task of converting to a new Student Information System, we are rapidly moving toward a 1-to-1 Chrome Book implementation for our secondary schools, and the key personal that supply information to complete the E-Rate filing are also absorbing into their full schedules the duties of a retiring key staff member.

II. Request

The Chandler District respectfully petitions the Commission to request a waiver of the Funding Year 2019 FCC Form 471 filing deadline on behalf of the Chandler District to allow the Out of Window submission of their E-Rate Funding Year 2019 FCC Form 471 #191038928.

The contract for FRN #'s 1999076458 and 1999076466 were signed within the filing window. I requested the Student enrollment and financial need data on March 27, 2019 but the staff who could supply that information were in meetings and feverishly working on other tasks. They did get the information to me on March 28, 2019. After looking at the data it was prudent to look at the Financial Survey information collected during enrollment at the beginning of the school year. That additional information was compiled and added to the narratives of the FRN's and the completed and certified FCC form 471 was filed on April 2, 2019.

Your favorable consideration in this matter is greatly appreciated. Please feel free to contact me at any time should you have questions.

Respectfully submitted,

David Patillo, IT Director
